

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016 with regard to energy labelling of refrigerating appliances

**Supplier's name or trade mark:** Edesa

**Supplier's address:** Edesa , Anabel Segura 11, 28108 Alcobendas Alcobendas Madrid , ES

**Model identifier:** 924271328 - EFC-1822 NF WH /A

**Type of refrigerating appliance:**

|                         |    |                                |              |
|-------------------------|----|--------------------------------|--------------|
| Low-noise appliance:    | No | Design type:                   | freestanding |
| Wine storage appliance: | No | Other refrigerating appliance: | Yes          |

**General product parameters:**

| Parameter                                                                           |        | Value | Parameter                                                                           | Value                  |
|-------------------------------------------------------------------------------------|--------|-------|-------------------------------------------------------------------------------------|------------------------|
| Overall dimensions (millimetre)                                                     | Height | 1 800 | Total volume (dm <sup>3</sup> or l)                                                 | 253                    |
|                                                                                     | Width  | 540   |                                                                                     |                        |
|                                                                                     | Depth  | 600   |                                                                                     |                        |
| EEI                                                                                 |        | 10    | Energy efficiency class                                                             | E                      |
| Airborne acoustical noise emissions (dB(A) re 1 pW)                                 |        | 40    | Airborne acoustical noise emission class                                            | C                      |
| Annual energy consumption (kWh/a)                                                   |        | 220   | Climate class:                                                                      | temperate, subtropical |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable |        | 16    | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 38                     |
| Winter setting                                                                      |        | No    |                                                                                     |                        |

**Compartment Parameters:**
